Register Today!

Registration is FREE for all government employees (including federal, state, county and municipal-level staff), plus all military, law enforcement and public safety officials.

Government Security Focuses at GovSummit 2019:

- Modernizing federal physical access control systems
- Facial recognition for public safety and homeland security
- Protecting soft targets from attacks
- The U.S. Department of Defense's unified facilities criteria for security
- Emerging federal procurement policy
- Mitigating drone-based threats
